

Youth Retreat

Expression of Interest

Please consider this as an Expression of Interest call-out for a two-day Atlantic Youth Retreat for any PSAC members in good standing to be held in conjunction with the PSAC Atlantic School.

What is a Youth Retreat ?

This Atlantic PSAC Youth Retreat is a two-day opportunity to connect with other PSAC youth (30 years and under) in the Atlantic to develop skills to assist you in both being active in your local as well as in social justice actions in your community and abroad.

We will examine your role in your local and community and through interactive adult education techniques start to share experiences young workers face in the workplace, the Union & society. The retreat will also allow Youth in the Atlantic to network and support each other in their union and social justice activities.

Although being held at Saint Francis Xavier University during the Atlantic School, this two day retreat will hopefully enrich the school as well as allow selected Atlantic Youth to interact with participants at the school, but will not follow the same time lines as the school.

Seating is limited so please, in your expression of interest, indicate what union and community/social activism experience you have as well as how you plan on using this experience in your local, Union & community.
